### Super Duper Mom Squad

Thank you to our amazing team of Instructional Assistants that help our classroom teachers deliver the daily lessons to our students. They are all mothers and are quite amazing. We welcome returning IA, Amy Schumacher. She and Kerry work in sync like nobody’s business. New this year are Sarah Fowler and Star Tarrant. They’ve hit the ground running and we are so impressed with their skills and flexibility to do whatever comes their way. On Oct. 2, we bring Pearl Briggs on board to join our team of Instructional Assistants. We are so lucky to have available and skillful parents willing to work part time in in this dynamic little school house. Thank you for being here!
