

# PINEHURST PIPELINE

November of 2017

**"There is no JOY without gratitude."**

**-Brené Brown**

## Note to Pinehurst Parents:

November is a busy month with Winterfest Pre-sales, Winterfest crafts, school play practice, Thanksgiving, and possible winter weather.

Please help your child be prepared by checking in with them daily about notes coming home. We send home lots of notes and reminders and expect that you and your child are reading them so that you know what's going on.

A note about the weather: occasionally, due to winter weather, we must delay or cancel school. The fastest way for us to do that is to text you in the morning. We do not always follow what Ashland Schools are doing so please pay attention to Pinehurst notices. If you are ever in question about whether or not we will have school, please call or text Kerry (541-892-6540) or Holly (541-778-0572). Please be sure our numbers are in your phone.

Our annual school play will be on Thursday, Dec. 14th. We will need help with costumes and set. If you are interested in helping, please talk to Miss Ann.

## Winterfest Wreath Making Workshops

Join us for two wreath making sessions at the end of November. Winterfest wreath making is a fine way to help the Winterfest cause and enjoy getting together with others. No experience necessary, but there is a good chance you will learn a new skill.

**Session 1: Monday, Nov. 27th, 10-5**

**Session 2: Thursday, Nov. 30th, 10-4**

Come for as much or as little time as you have. **The workshop is at Deb Evans's house at 9687 Hwy. 66.** Bring food for a pot luck lunch, gloves, a pair of garden clippers and a few stories.

Please call Holly to let her know you are coming and to ask further questions.
