

PINEHURST PIPELINE

Pinehurst School District
January of 2018

“I have decided to stick with love. Hate is too great a burden to bear.”
Martin Luther King Jr.

Box Tops for Education

Pinehurst School continues to collect Box Tops. You can cut them off many of the packages of things you already buy. Once you collect a stack of them, turn them into the office. We send them in twice a year to redeem money for our school. Thanks!

We are sending best wishes to our friends Bella and Zoey Pennell and Ezra and Indigo Knapp as they embark on their respective adventures in Texas and Tanzania in 2018.

We will miss you!

Wi-fi

The wi-fi entity
You seek
So far and
Difficult for
the Right and
Left a twist
There and a
Twist here in
The pathway to
The right connection.

By Banyan Tarrant
Inspired by Walter Dean Myers

Biking

Wheels rumbling
People tumbling
Biking and
Hurling into the air
Down the mountainside
Sweat dripping
down your face
dangerous but exhilarating
Then smashing
into the earth

By Jack Reisinger
Inspired by Robert Frost

Sunset Woods

as the sun sets
the woods cover
with snow. Watching
flake by flake hit
the forest floor like
ash when flame sets

By Ezra Knapp
Inspired by William Blake

The Zebra

Baby zebra, who feeds thee?
Dost thou know who feeds thee?
Gave thee grass and made thee feed?
By the savannah and o'er the mead?
Gave thee stripes of delight
Softest stripes fuzzy, bright?
Gave thee tall, stalks of grass,
That look like tall, rods of brass?
Baby zebra, who feeds thee?
Dost thou know who feeds thee?

Pretty Wall Calendars

Please recycle your 2017 wall calendars here! We love to decorate bulletin boards and classrooms with beautiful artwork often found in calendars. You may drop them off in the school office.

Thank you!
