

2018 VOLUNTEERS OF THE YEAR AWARD

At the May meeting our Pinehurst School board members voted unanimously to honor Sandy and Dan Speasl as 2018 Volunteers of the Year!

Their names have been engraved on the honor plaque in the hallway of the main building.

For years these two energetic retired teachers have offered helping hands, donations and sound suggestions and plans to benefit the physical plant and the work of the Pinehurst School Foundation.

Our staff and children thank you, Dan and Sandy, for your active love and the cheerful spirit that accompanies your participation!
