

PINEHURST PIPELINE

December of 2019

Kindness is like snow- It beautifies everything it covers. -K.G.

Olders Classroom

December already! The school year is flying by! This month we will culminate our fall study of mountain habitat in Exploration Academy, embark on a whirlwind holiday play adventure, and usher in the winter with gift giving and Winterfest fundraising. Olders are deepening their knowledge of animal biology and American history, growing daily in math, and becoming prolific writers. Stay tuned for a chance to read their latest works!

Winter Clothes

Don't forget to have a set of snow clothes at the school.

Youngers Classroom

Every school year I am reminded that the children are my teachers as well. With the unveiling of this year's play, I am realizing all that these students are capable of, and remembering never to underestimate what they can accomplish. I am grateful for the opportunity to learn from such a talented and committed community, and see the unique advantage that Pinehurst offers children to develop theater skills, in addition to their continued development in reading, music, and teamwork. Thank you for your support at home; I look forward to this next community gathering in Toyland!

Winterfest

Saturday, December 7th

9 AM—4 PM

At the Green Springs Inn

This is Pinehurst School's biggest fundraiser of the year. Please come and represent our great school.

The Bells
Edgar Allan Poe
1809-1849

Hear the sledges with the bells—
Silver bells!
What a world of merriment their
melody fortells!
How they tinkle, tinkle, tinkle,
In the icy air of night!
While the stars that oversprinkle
All the heavens, seem to twinkle
With a crystalline delight;
Keeping time, time, time
In a sort of Runic rhyme,
To the tintinnabulation that so
musically wells
From the bells, bells, bells, bells,
Bells, bells, bells—
From the jingling and the tinkling
