

PINEHURST PIPELINE

Pinehurst School District No. 94

March 2020

"Readers are lucky, they will never be bored or lonely". Natalie Babbitt

Student Investment Account (SIA) Update

Thank you to everyone who filled out a survey and/or attended the community listening session. Your input is appreciated and valued.

Results identified the following priorities: broadening curricular options such as PE, Outdoor Ed, STEAM, Music and Art and community outreach, especially with the pre-K community.

We are currently putting together the SIA plan and budget to be able to apply for the grant, which is due by April 15. Once approved by the board, the SIA plan will be posted on our school's website.

Updates will be made annually and continued community outreach is expected as part of the grant application process. Thank you for sharing your ideas and supporting our school.

REMINDER CORNER

3/6: End of Second Trimester In-service
Day- No School
3/8: Daylight Saving Time Starts
3/12: Parent Teacher Conferences
3/13: Parent Teacher Conferences
3/13: PSF Meeting 3pm
3/14: GSFR Pot 'O Luck Bingo
3/19: School Board Meeting
3/23-3/27: Spring Break
3/30: Classes Resume

YOUNGERS

Our Heroes unit has inspired the students' curiosity and engaging discussions of our nation's history. We will continue exploring heroes in March as it is Women's History month.

We will also celebrate Dr. Seuss all week for his birthday. In Spanish we have been counting to 100 (as we have reached the 100th day of school!) and began learning the alphabet names and sounds which will lead into word reading.

I look forward to sharing all of these student accomplishments at Parent-Teacher conferences.

In Service, Miss Marla

OLDERS

As we dive into spring, we are waking up to nicer weather and more opportunities to get outside. We will continue our study of rivers, moving from the rainbow trout we raised and released to other aquatic species as well as water quality.

We are exploring matter in physical science and conducting labs and modeling molecules.

We continue to read about heroes of history and explore U.S. government and geography.

Miss Hannah
