WHERE THERE IS AN OPEN MIND THERE WILL ALWAYS BE A FRONTIER. —CHARLES F. KETTERING

Teachers

**Paint their minds
and guide their thoughts
Share their achievements
and advise their faults.**

**Inspire a LOVE
of knowledge and truth
As you light the path
Which leads our youth.**

**For our future brightens
With each lesson you teach
Each smile you lengthen
Each goal you help reach.**

**For the dawn of each poet
Each philosopher and king
Begins with a Teacher
And the wisdom they bring.**

To Hannah and Marla ,

We appreciate you teaching our children. We know that they are safe with you in your classrooms and on zoom. Your dedication is ever present. Your love for our students is obvious with all your time and energy you put into everything you do. Thank you for going on this journey with us, for taking on the challenge our present world has given us. We are so grateful for you. Thank you for being our teachers. Thank you for helping us parents through this time. We are so grateful for you. Thank you doesn't seem like enough but at this moment that is all we can say. Thank you.

In Gratitude,
A Pinehurst School Parent

Pinehurst Persists Passionately

As a volunteer, I spend a bit of time every week in and around our school campus. Last week I wrote down what I have observed or learned since Governor Brown closed schools and teachers began teaching remotely. I saw:

- Cory and Ed Hultz teamed up to build a lawn mower shed for the John Deere donated to the district by an alum of the Class of 1989.
- The Pinehurst School Foundation hosted an Earth Day tree planting fundraiser to support Pinehurst School and celebrate Earth Day in our community.
- Staff and volunteers are repurposing the library to accommodate a pre-school learning center to go into action this fall.
- Our onsite staff of Holly, Hannah, Marla and Desiree are all exuberantly cooperating at making the online educational endeavor successful.
- The administrative team of Holly Amann and Tracy Gault continue to run a very competent and cautious operation, spending many hours these days Zooming to keep up with developments to help them plan with the Board and budget committee to meet the challenges of a devastated economy.
- I attended the April school board meeting, via Zoom, and was very pleased to see that we have a full board, with two moms and one grandmother of young children and two long-time educators with long service to our community. Our school board works very closely with the Pinehurst School Foundation board both demonstrating intelligence, high energy and productivity.
- Pattie Walters deserves a shout out for how clean and sanitary she keeps our buildings and how enthusiastically she does her job!

It is comforting and encouraging to see that the dynamic at Pinehurst is positive and forward looking. I feel very grateful for everyone chipping in and preparing for the return of children.
