## **Gratitude** (A note from Marla)

I am extremely grateful in these unique circumstances for the incredible support I have received from the School Board, staff, volunteers and parents to get this year launched. We are in the best possible scenario with students and I feel so fortunate as a teacher and parent myself at Pinehurst. The children are responding so positively from being together and our school days are feeling grounded, structured and creative. In November I love to promote gratitude in my students through various books, writing

prompts, songs and activities. This is, perhaps, the best medicine. "A thankful heart is a happy heart." - Madame Blueberry, Veggie Tales

**2020 Winterfest**

## **Exploration Academy Continues...**

Cadets from Planet Moblek (Pinehurst students) led by Captain "Bunny Ears" Ooblek (Miss Hannah), looked for life signs and discovered plant and animal life on Earth. Together they are creating an Alien Field Guide to "Earth" to share all their discoveries. Recently, cadets made field guide pages on the predator-prey pair, the cougar and the deer, for the field guide. Their pages include information and illustrations on, tracks, habitat, young and interesting facts. Cadets continue to earn badges as they complete exploration missions!
