READY SCHOOLS, SAFE LEARNERS

GUIDANCE FOR SCHOOL YEAR 2020-21

As you may have heard, Governor Brown modified the regulations and expectations about school operations in a COVID-19 environment. Beginning January, 2021, the state metrics for school reopening have moved from mandatory to advisory. While the metrics have not been removed, the ability for local governments, school districts and agencies to work together on school safety and reopening has increased.

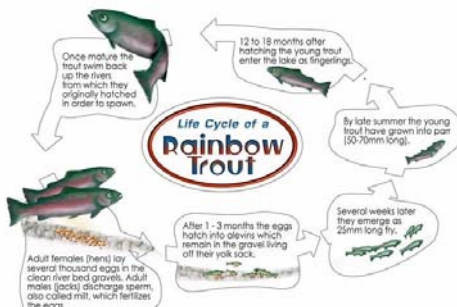

What does this mean for Pinehurst? Luckily, Pinehurst School will be able to continue to operate fully on-site as long as there is no community spread of Covid-19 in the district's catchment area. Please consider your role in keeping our community safe by continuing to socially distance, wear a mask and not go anywhere public if you are experiencing symptoms of sickness.

The Oregon Department of Education (ODE), in coordination with the Oregon Health Authority (OHA), continually updates the Ready Schools, Safe Learners guidance for the 2020-21 School Year in accordance with Governor Brown's Executive Order 20-29. This guidance is effective July 1, 2020 and will remain in effect through June 30, 2021 unless replaced by updated guidance.

Classroom Corner Exploration Academy

Pinehurst students will once again participate in growing trout for our local pond. The fry are set to arrive late January/

February. This program gives students a chance to experience hands on science through observation and data collection. Curriculum extensions include life cycles and riparian ecology.

Winterfest 2020

Thank you to all who helped make the 2020 Virtual Winterfest a success! The Pinehurst School Foundation is pleased with the results from our online sales and patron letter donations. Your purchases and donations helped us raise just over \$8,000! It was such a treat to visit with community members who were able to show up to pick-up their online orders. We really missed hosting our usual event at the Green Springs Inn and can't wait until it's safe for us all to gather and be merry together once again. Happy New Year. Let's hope for renewal in 2021!

Old Wall Calendars

If you haven't already recycled your 2020 wall calendar, consider donating it to the school. We love to decorate bulletin boards and classrooms with beautiful artwork often found on calendars. You may drop them off in the office at anytime.

Winter Clothes Reminder

We play outside as much as possible so please don't forget those gloves, hats and snow clothes once the snow arrives!
