Full-time Elementary Teacher 2021-2022 School Year

Posting Date: March 19, 2021

Job Description: This is a unique opportunity to teach with one other full-time teacher in a blended kindergarten through sixth grade program. This teacher would serve as the main source of instruction and support for students from kindergarten through 3rd grade in our rural public school. Specific responsibilities include supervising students within the classroom and other assigned areas; developing lesson plans and delivering group and individual student instruction within and beyond Common Core guidelines; collaborating with the other teacher, instructional assistant(s), administrators, adjuncts, parents, volunteers and students in addressing instructional, behavioral and classroom needs. Priority will be given to those with academic leadership experience.

The candidate must be licensed by the Oregon Teachers Standards and Practices Commission. Reciprocal state licensure is also acceptable.

Salary is based on qualifications and experience. This position includes medical benefits and employer paid PERS contributions.

This dynamic teaching position can be discussed and tailored based on additional talents that might lend to teaching in a mixed-grade rural school.

Pinehurst School District 94 is located 21 miles east of Ashland, OR on state-maintained, Greensprings Highway 66, in the midst of the Cascade-Siskiyou National Monument at 3700 ft. elevation.

Pinehurst School District 94 is an Equal Opportunity Employer, and in accordance with Federal, and State Legislation, does not discriminate on the basis of race, sex, age, religion, national origin, handicap or marital status.

TEACHING AT PINEHURST SCHOOL

Pinehurst School District 94 lies in the mountains, 21 miles east of Ashland, Oregon along Highway 66. We provide the only public school in the 114,000-acre Cascade Siskiyou National Monument. One of the smallest districts in the state, Pinehurst is responsible for the education of our children kindergarten through 12th grade. The Pinehurst campus meets the needs of kindergarten through 6th graders. The district pays tuition and transportation for resident 7-12th grade students to attend Ashland School District.

The Pinehurst Elementary School projects an enrollment of approximately 16 kindergarten through 6th grade students in 2021-22, who will be taught by a team of two full-time teachers and one or more instructional assistants.

The teacher position that is open for the 2021-22 school year is for grades kindergarten through 3rd grade. Ideally the teacher we hire will be experienced with teaching in a multi-aged classroom and will adapt to a system which—while acknowledging grade distinctions—provides differentiated instruction specific to the individual pupil's academic achievements. The extra preparation for this type of instruction is offset, somewhat, by the small number of students and team-teaching approach. Pinehurst School works closely with the Southern Oregon Education Service District to augment essential special education and professional development needs.

Pinehurst Elementary School is located in the Lincoln-Pinehurst neighborhood of the Greensprings, about a thirty-minute drive east of Interstate 5. Our highway—though steep and curvy—is well maintained by the Oregon Department of Transportation all year long.

We welcome and encourage all candidates for this position to arrange with our administrator, Holly Amann, for an appointment to drive up and tour our campus.

Information about the school and applications can also be found on our website: www.pinehurst.k12.or.us. If you have questions, please call the school office at 541-482-1910. Please note, the school is closed for spring break from March 22 through March 26, 2021.
