Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

School Goals

Following the guidelines of the Student Investment Account and Continuous Improvement Process, the Pinehurst School District works to achieve strategies to vigorously maintain and improve the academic quality and financial stability of this 113-year-old rural school district in the heart of the Cascade-Siskiyou National Monument. Pinehurst School currently offers a vibrant in-house K-6 program. Resident students in grades 7-12 attend schools in Ashland School District.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Nestled in the forest of the Cascade-Siskiyou National Monument, Pinehurst School majestically sits on a 54,000 acre campus. We value and respect each person who works and learns in our school and district. We energetically attempt to meet the learning, safety and security needs of each of the adults and children in our school community.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Pinehurst School is committed to providing a positive, safe and productive learning and working environment. Hazing, harassment, intimidation, menacing and bullying by students or staff is not tolerated in the district. We use positive discipline techniques that teach children self-regulation, self-control, and self-management while collaborating with others for peace, productivity, health and happiness.

EXTRACURRICULAR ACTIVITIES

Pinehurst School features appropriate opportunities for K-6 students in art, music, outdoor education, gardening, theater, STEAM and enrichment programs such as Family Literacy Nights and field trips. With our SIA funds, we hired an PE adjunct instructor to create a robust physical education program to meet the needs of our small, mixed-grade classes.

PARENT ENGAGEMENT

Our remote rural location depends heavily upon parental help as volunteers in the classroom; assistance with drama, art, music and gardening, various fundraising activities, and field trips.

COMMUNITY ENGAGEMENT

Pinehurst School District works closely with the volunteer fire and rescue department, local businesses, Bureau of Land Management, Friends of the Cascade-Siskiyou National Monument, Oregon Extension at Lincoln and numerous local residents who volunteer and support events sponsored by the Pinehurst School Foundation. The district uses bulletin boards, the district website, community email and social media to inform the community about school happenings. The district uses surveys, personal interviews and community meetings to collect the type of information needed to create strategic plans and district goals.
