

Dear Parents,

Next Thursday, May 9th, students will be touring the Ashland Wastewater Treatment Plant and exploring Ashland Pond. This field trip builds on what students are learning in school about water conservation. After touring the facility, we will meet with the Executive Director of the Klamath Outdoor Science School to do some water quality testing at Ashland Pond.

We would love to have you join us if you are interested in being a chaperone on this field trip. Please, make sure to pack your child a snack that they can eat before we depart on our field trip and a hearty lunch in a backpack they can carry down to the Ashland Pond. We will be walking down to the pond and there will be NO MICROWAVE available to heat up food. Make sure to wear sturdy shoes!!!

Itinerary:

- 8:05-8:15 Arrive at school
- 8:30-8:45 Load up van and depart for Ashland
- 9:15 Arrive at Ashland Wastewater Treatment Plant
1195 Oak St Oak St, Ashland, OR 97520
- 11:00 Walk down to Ashland Pond for Lunch
- 12:00 Water Quality Testing & Ashland Pond Exploration
- 2:15 Arrive back at school
- 2:45 Regular Dismissal and Pick Up Time

Please return the bottom portion by Tuesday, May 6th.

I give my child _____ permission to travel to the Ashland Wastewater Treatment Plant and Ashland Pond on Thursday, May 9th.

- I would like to go on the field trip as a parent chaperone.
- I cannot attend this field trip. Have fun!
