

# PINEHURST PIPELINE

News and Updates from Pinehurst School  
May 2026

## A Whirlwind of Wonder

**Spring Celebrations:** We've been busy at Pinehurst over the past month! We had a fantastic spring play! Shout out to students and staff for bringing "The Wish Tree" to the Pinehurst stage for all to enjoy! Many thanks again, to the Pinehurst School Foundation and our amazing volunteers for hosting a delicious and successful Pancake Breakfast earlier this month! Your dedication and unwavering support of Pinehurst students is invaluable.

**Summer Learning:** Our 2026 Pinehurst School Summer Learning Program is just around the corner! This year's program, running Mondays-Thursdays from June 29-July 16, will explore the fascinating world of **Norse Mythology and the Viking Era** through engaging literacy-focused activities and hands-on projects. Plus, students will enjoy weekly adventures to Camp DeBoer at Lake of the Woods! More details and registration information have been shared from our teacher on Remind. This program is open to all Greensprings students, grades 1-6. Space is limited though, so reserve your student's spot soon!

**We're hiring!** We are looking for an interested candidate to fill part of our Summer School Instructional Aide vacancy, as well as a Part-time teacher for the 2026-2027 school year. Interested in learning more, please contact the school.

## Classroom Corner

It is hard to believe that we are already in the home stretch to summer. Learning is continuing in full force and is being complemented by some wonderful field trips.

The 4<sup>th</sup> & 5<sup>th</sup> grade ELA group are reading A Midsummer Night's Dream and took a trip to OSF to watch it performed. All students are studying the history and ecology of the Monument in Discovery Block and have been hiking both nearby and a little further afield. There are so many flowers, plants, butterflies, and trees to see and ask questions about! The biodiversity is astonishing.

We are excited to finish the year strong and are looking forward to our stepping up ceremony and end of year celebration!

-Bethany, Amanda, & Chrissy

## Summer Garden Cleanup: Save the Date!

We are looking for volunteers to help us clear out our school plant beds this June! Our goal is to create a clean, polished, and fire-safe exterior for Pinehurst.

Be on the lookout for specific dates and details coming soon. If you're interested in helping us beautify our grounds for a few hours this summer, please reach out to Emily soon. Let's work together to keep our school and community looking its best!

## Attendance Matters!

**Every day counts.** Regular, on-time school attendance is crucial for your child's academic success. Regular attendance in Oregon is 90% or better. Take a look at attendance rates for the school year-

**September total attendance: 91.5%**  
**October total attendance: 96.9%**  
**November total attendance: 88.5%**  
**December total attendance: 79.6%**  
**January total attendance: 91.9%**  
**February total attendance: 78.6%**  
**March total attendance: 90.5%**  
**April total attendance: 87.3%**

**September on-time learners: 74.2%**  
**October on-time learners: 63.3%**  
**November on-time learners: 67.4%**  
**December on-time learners: 58.8%**  
**January on-time learners: 61%**  
**February on-time learners: 66.5%**  
**March on-time learners: 66.9%**  
**April on-time learners: 66.3%**

As I compare attendance numbers from last year to this year, overall attendance has greatly improved! Keep it up, students & families!
